

Hello,

We are Kelli and John and we thank you for taking the time to learn more about us. We met in college while line dancing and had our first date at a Starbucks. We dated for 6 years before John asked for Kelli's hand in marriage on top of a beautiful fort with their immediate family participating. We were supposed to get married in 2019 however life had other plans and we finally said "I DO" in our family church on March 13th 2021! Even

though we have only been married a short time we are ready to grow our family through adoption.

Kelli was adopted as an infant so adoption holds a special place in her heart. We do not have any children, but we do have a dog named Luna. Luna is an energetic Australian Shepherd who never meets a stranger.

John is a Firefighter. When he is not working he enjoys working on his antique car or doing home projects. Kelli works for an accounting firm as a manager, and when she is not working loves pageantry and dancing.

We live close to several parks and the beach and just love spending time outside in the fresh air. We enjoy traveling when we can and especially love the mountains and amusement parks. We love being active but we also love to just watch a good movie.

We are humbled and appreciate the time you have taken to read these words. Whether we are a part of your journey or not, we wish you the very best.
