

Dear parent,

Hello. We are Jesse and Heather. In our home we have 2 dogs and 3 cats. We like to explore the outdoors and take our dogs on hikes. On Sundays, we have family brunch after church, and turn off electronics all day so we can spend more quality time with one another.

Our home is open for your child/ children with their interests at the heart of that. In our home we have a motto "Team S.". This means that we will always work towards helping the others in the house to achieve their goals, no matter how small or big. We would like to include your child in our motto and help them to become the best that they can be. We would also like to extend this motto to you and have you become a part of our family, if you wish to do so.

We are excited to begin this chapter in life, with you and your child. Even though, we know at times it will be rough for all of us, we ALSO know God will always be there to guide us and help us along the way.

Love,

Jesse and Heather

"Team S.."
