

Hi we're Liz & Joe

We've been married for 6 years and absolutely love living in a beach town in Florida, with our 2 dachshunds, Otto & Frankie. Our greatest desire is to be parents, and we are so grateful to you for taking the time to consider us. We have sadly experienced 4 first trimester miscarriages, and the stillbirth of our son, Noah. We believe God has led us to adoption & this journey has further deepened our faith. We are very active at our church.

We love to travel, and just got back from a dream trip to Italy, Austria, Switzerland, & Germany. We can't wait to go on trips with our children, and experience the world through their eyes. We also enjoy hiking, biking, cooking, playing pickleball, baking, gardening, & hosting game nights with our family and friends. We have a close-knit group of friends, many with young children who will be an amazing support system. We are so blessed that our family lives nearby- we are all very close & truly cherish our time together.

Our gated neighborhood is idyllic for children, with a playground and resort style pool. We live steps to the beach, with beautiful tree lined streets for bike riding & exploring. Our home is cozy & full of natural light. Joe works from home & Liz will be a stay at home mom.

We are honored & overjoyed at the possibility of matching with you & your child. We will love & cherish them every moment, and they will always know how adored they are. We will be praying for you as you make this decision & wish you all the best.
