

Our names are Travis and Andrea. We have two boys; Owen and Wyatt.

Our family is blended as Andrea had a child (Owen) from a previous relationship. Travis and Owen immediately became like two peas in a pod! We love our blended family and we always considered adoption but after finding out that we are both carriers of Cystic Fibrosis (while pregnant with Wyatt), we decided that adoption was definitely the right plan for our family! We are super excited to see how God will bless our family and for our family to grow in the future!

Andrea has been a nurse for over 8 years. She currently works as a Pediatric Nurse part-time so she can be home with the kids and volunteer for school functions Andrea also serves as a volunteer in the children's nursery at their church as well.

Travis is a Human Resource and Operation Manager. Before that, he was a Pilot in the Navy. Travis' job is very flexible so he also gets to join in on fun school functions when they come up.

Travis's hobbies include cattle-working and

woodworking, as well as leading on the Praise Team and worship choir at our church. He also serves on the church security team and as a Deacon for the church as well.

Owen is 10 and Wyatt is almost 2! The boys really enjoy each other and play great even though there is an age gap. Owen plays sports and is a part of the children's choir and has taken piano classes even!

We are grateful that our letter made it into your hands and hope that you'll take the time to look through our profile book. We want to tell you that we think adoption is a brave and courageous thing for birth parents to choose. We can't begin to understand the sacrifice you are making but we respect your decision and think that only a selfless person would be able to even consider this option. We hope, as you look through our profile book, you feel as if you are getting to know our family. We have so much love to share and we can't wait to add another little one into our already blended family and start creating amazing memories with them. Our prayer is that, whoever you choose to parent your child, you would feel supported and at peace with your decision.

Thank you for considering our family.

with Love,

Travis, Andrea, Owen and Wyatt
